

College Credit Plus Counseling Verification – Intent to Participate

Ohio Revised Code 3365.09

Due in Student Services by April 1

I have received information and counseling about the College Credit Plus Program under O.R.C. 3365.09. I understand that Avon Local Schools will seek reimbursement for College Credit Plus courses under the following two circumstances:

- 1) If the student receives a failing grade at the end of the college course; or
- 2) If the student withdraws from or drops the college course after the college established deadline

I certify that I have received counseling by attending a CCP meeting at:

_____ **December 4, 2018** **6:30-7:30pm-Avon High School**
(Co-hosted by LCCC & Tri-C)

_____ **Other** (please explain) Date: _____
Location: _____

-
- In addition, I acknowledge that I have been informed that Avon High School requires juniors & seniors to have at least 5 classes (5 Carnegie units) each semester. Freshman & sophomores are required to have at least 6 classes (6 Carnegie units).
 - Students participating in CCP are required to meet graduation requirements set forth by the Ohio Department of Education and Avon Board of Education. It is the responsibility of students/parents to consult with AHS counselors to ensure these requirements are being met.
 - Students are required to return textbooks to ensure no additional charges will be incurred
