

2018-19 Preschool Programs

Dear Parents,

The purpose of this communication is to provide information about the preschool opportunities in our school district and the process to secure a space for your child. We want there to be a clear understanding of what is offered and the costs associated with these offerings.

We offer a 4-day a week (Monday-Thursday half-day program), as well as 5-day a week (Pre-K 4/5) half-day.

We will continue to have our 4-day integrated preschool program for the 2018/2019 school year. The cost of this 4-day program will be \$2,500 and the program will take place regardless of enrollment.

Last year we added a 4-day and 5-day general education preschool program as a pilot in our district. Although this program is not required by the state, our goal was to provide a preschool opportunity for our Avon students outside the integrated experience. After having the opportunity to evaluate the pilot, we would like for it to continue. The cost of the 4 day general education program will be \$2,500 and the cost of the 5-day general education program will be \$3,200.

THE GENERAL EDUCATION PRESCHOOL CLASSROOMS NEED TO BE AT OR NEAR CAPACITY BY JANUARY 31ST IN ORDER TO OPERATE DURING THE 2018-19 SCHOOL YEAR. FAMILIES WILL BE NOTIFIED ON JANUARY 31ST OF THE STATUS OF THESE CLASSROOMS.

Applications for all Soaring Little Eagles Preschool program will become available on **Monday, Jan. 8. We will be moving to an electronic application process this year** and the form will be available on the Avon Early Learning Center webpage. To secure a spot for your child, please complete the online form. This is a first come first serve process.

Due to the changes in the program, we are requesting ALL current AND new families complete the online application for each child they are enrolling.

Once your application has been received, families will be notified regarding their application status via email and given next steps including registration and submission of a deposit (will be required in early February).

Class size is limited and applicants will be accepted based on spaces available and age parameters in each classroom.
