

# HealthyFood Program

Rewards with more than just nutrition!

Thousands of Vitality™ members across the country have registered for and are enjoying the Vitality HealthyFood™ program, making it one of the most popular features of Vitality ever!

## Shopping made easy and rewarding

Vitality has partnered with Walmart® and thousands of other grocery stores representing more than 70 chains throughout the United States to help you purchase healthy and nutritious foods ... and reward you for doing so.

When you join our HealthyFood program\* you have three options. You can:

1. Register with Walmart by requesting a Vitality HealthyFood shopping card.
2. Join NutriSavings™ by simply linking your grocery store loyalty cards to them.
3. Register with both Walmart and NutriSavings.

\* Please allow 7-10 business days to receive your card in the mail

## Walmart

When you register with Walmart and use their HealthyFood card at any of their 4,000 U.S. locations, you may earn up to 10% savings and receive two Vitality Points™ for every Great For You™ item you purchase (up to 50 points each month). Check out the Great For You catalog of eligible foods on the Vitality website.

## NutriSavings

When you register your local grocers' loyalty cards with our partner, NutriSavings you will:

- Earn two Vitality Points for each designated healthy food item you purchase, up to 50 points per month. (A complete catalog identifying point-eligible foods – those rated 85 or higher – is available to view on the NurtriSavings website.)
- Receive suggestions and coupons for healthy food options.
- Have access to articles and recipes relevant to healthy eating.

We are confident that the Vitality HealthyFood program will make healthy and rewarding food choices easy and convenient for you and your family so that you may truly live your healthiest lives.

## EAT BETTER, FEEL BETTER AND GET REWARDED WITH VITALITY HEALTHYFOOD!

*\*Your health and shopping information will remain entirely private. Only you will know what you've purchased and be able to track your personal progress.*
