SCHEDULING

Honors Math and Honors Language Arts placements will be determined based upon MAP scores, state test scores, and grades.

Every sixth grader will be placed in a rotating wheel period. This will change quarterly and includes art, computer applications, health, and physical education.

SCHEDULING

Sixth graders were given a paper copy to select a music option as an elective. This is due 2/20 to Mr. Moellman.

Students will select band, choir, or orchestra. Those that do not select one of these will be placed in a media study hall (this is in addition to their daily 30 minute flex-time study hall).

EXAMPLE SCHEDULE

1st period – Math

2nd period – ELA

3rd period – Science

4th period – Social Studies

5th period – Lunch/FLEX

6th period – Art, PE, Computer Applications, Health

7th period – Music Ensemble or Media Study Hall
