

Dear Parent/Caregiver:

The Ohio Revised Code 3313.67 requires that a student provide written evidence of being immunized against measles (rubeola), mumps, rubella, poliomyelitis, diphtheria, pertussis, tetanus, Hepatitis B, varicella (chicken pox), and meningococcal or is in the process of being immunized against these diseases.

A current immunization (shot) record for your child is needed because:

Your child is entering Kindergarten in the fall.

Your child is new to the school district.

Your child is entering 7th grade in the fall.

Below is a list of immunizations that are required by grade. If your child is in the process of receiving these immunizations or if you have an immunization exemption on file, please contact the school nurse to update the record.

<b>K-12</b>	<b>7th Grade Boosters</b>	<b>12th Grade Boosters</b>
DTAP (4 or more doses )	Tdap	Meningitis (MCV 4)
Polio (3 or more doses)	Meningitis (MCV4)	
MMR (2 doses)		
Hepatitis B (3 or more doses)		
Varicella ( 2 doses)		

Please contact your healthcare provider or county health department to receive the needed vaccines. Please contact the school nurses for any questions or concerns.

Immunization documentation (including exemption form) is due by September 5th, 2024 or non-compliant students cannot return on September 6th, 2024.

Please contact the school nurses if you have any questions or concerns!

Thank you,
