AVON LOCAL SCHOOLS MEAL CHARGE POLICY

The start of 2018-2019 school year Avon Local schools will allow two meals to be charged. Until the account is brought up to date an emergency meal will be provided. An emergency meal consists of a cheese sandwich, hot vegetable, fruit/vegetable bar and a milk.

Parents will be notified by letter at K-5 Buildings and an email will be sent to all buildings when the account goes negative.

We encourage you to create an account on line at www.payschools.com to view your child's purchases and receive low balance notifications. You can also view your lunch balance in Power School under 'balances'.
