WARNING BELL: 7:20 PM

TARDY BELL: 7:30 AM

FINAL BELL: 2:15 PM

The building is open at 7:10 A.M. during the days when school is in session. Any student or group of students remaining in the building after 2:15 P.M. must be supervised by an adult. This supervision must be done by a member of the faculty. Maintenance staff members are not to assume this responsibility.

FERPA (Student Records)The Avon Local School District Board of Education is required to follow Ohio and Federal law as to the maintenance and release of student records. Ohio and Federal law prohibit the release of personally identifiable student information except in certain specified circumstances without the written consent of the parent / legal guardian or the student, if eighteen or older. If you choose you do not want the following information released, please notify the building principal in writing by September 30, 2020. The School District may release "directory information" without consent and such information includes: names, address, telephone number, and date of birth, major field of study, dates of attendance, date of graduation, sports and activities participated in, and, in case of athletic team members, the height and weight of the student. For purposes of FERPA, members of the Board of Education, School District Administration, School Building Administration, teachers and educational aides are considered to be school officials with a legitimate educational interest in viewing student educational records. A

parent/legal guardian or eligible student has the right to inspect and review the student's educational records, as well as the right to seek the correction of inaccurate or misleading records and that personally identifiable information about the student will not be released without consent, subject to certain exceptions listed as directory information. The Board of Education has designated the following individual(s) to contact if a parent/legal guardian or student seeks access or amendment of educational records: Mrs. Maura Neville, Principal, Avon Heritage Elementary School.

Procedures for challenging or amending inaccurate or misleading information in a student's educational record are found in Board Policy, Policy No. JO. Complaints involving an alleged violation of FERPA may be addressed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202-5920

Non-Discrimination Clause

The Avon Board of Education and its staff are dedicated to providing equal opportunities and equal employment opportunities without regard to sex, race, color, national origin, religion, age or disability. If one has a concern about equal opportunities and equal employment opportunities, please contact the guidance counselor, as they have the appropriate information on whom to contact

Title IX

In accordance with Title IX Federal Guidelines, the Avon Board of Education has established a policy for making formal grievances of gender discrimination practice in the school format. Those wishing to make an appeal may request a Title IX Grievance Form from the school office. Upon completion the grievance will be submitted to the designated coordinator

Media Information and Consent

School activities may be recorded and publicized via pictures, video and sound bytes. This material may be used in media presentations, such as television / cable, radio programs, newspaper articles, website, etc., to (a) extend recognition to students and / or (b) to provide publicity for the school district. Student addresses and telephone numbers will not be released. If you do not want your student's image photographed, taped or recorded, please contact the administration.

Felonious Act

A student who is charged and/or convicted of a felonious crime may be subject to an academic review to determine an appropriate academic setting.

STUDENT BEHAVIOR AND DISCIPLINE

A goal of our educational program is to encourage independence and responsibility which are characteristic of the mature person. A constant respect for persons whether they are teachers, students, staff, visitors or others is a basic requirement. While it does not appear as a subject, it underlies the whole educational structure. In accordance with this philosophy, the Avon Board of Education has adopted a "Zero Tolerance Policy" for inappropriate student behavior.

Detentions

Detentions can be assigned either by the teachers, staff or by the administration. All detentions shall be served under the study hall conditions of the regular school day. Detentions usually take precedence over other activities. Students will always be given one day in which to schedule their own transportation after detentions are given and are required to return the detention form with a parent signature. Detentions are scheduled from 2:20 - 3:00 p.m. A detention is not subject to appeal. Failure to serve a detention may result in a double detention or an In School Assignment (ISA). The two forms of detentions at Avon Heritage Elementary School are:

School Detentions - students may be assigned a school detention by the principal. The length of the school detention will not exceed 40 minutes.

Teacher Detentions - students may be assigned teacher detentions by individual teachers for such things as misconduct, tardiness to class, etc. The teacher determines the room and time for this detention. If the student does not comply, he/she will be referred to the office for discipline.

Emergency Removal

A student may be removed for the remainder of the school day for any violation of the student handbook.

In School Assignment (ISA)

In School Assignment may be assigned to a student for a variety of disciplinary reasons. In School Assignment takes place in the ISA room located outside the principal's office and typically lasts the duration of a school day. Students assigned to ISA are provided with their class work and receive make-up on any activity that was missed during the assignment. In School Assignment may also occur when a student must be removed from the general student population. ISA is not subject to appeal.

Out of School Suspension (OSS) and Expulsion

The Ohio Legislature has adopted ORC 3313.66 et seq., which has placed into law procedural standards for suspensions and expulsion of students from school. Suspension may be administered by the principal, assistant principal, or superintendent. Only the Superintendent may expel a student. Out of school suspensions and expulsions are unexcused and count in the 10 day bank. Credit will not be awarded for daily assignments, quizzes, and homework while a student is suspended out of school. However, as point values vary from teacher to teacher and course to course, the administration may grant a student the ability make-up assessments that are deemed of significant point value and are critical to a student's ability to pass the nine weeks. Permitted make-up work is the responsibility of the student to complete and must be done within three (3) school days once they return. The Avon Board of Education has adopted a policy that fulfills all requirements of the law. Specific guidelines have been established in providing courses of action to pursue should a student or parent choose to appeal a suspension or expulsion decision.

Appeal Procedure

Should a student who is 18 or older or a minor student's parent(s) or guardian(s) choose to appeal a suspension, he/she must do so in writing to the Superintendent within three (3) calendar days of the notice of suspension; to appeal an expulsion a student must do so in writing through the Superintendent's office within three (3) calendar days of the Superintendent's decision to expel.

CODE OF CONDUCT

The Student Code of Conduct is made available to students and parents and is posted in the office. The rules and regulations of the Student Code of Conduct are in effect for all Avon students at all school activities both on and off school grounds. A violation of any section of the Code of Conduct will result in the following penalties. **Each section includes examples which are not intended to be exhaustive.**

Zero Tolerance Policy

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the district must conform to school regulations and accept directions from authorized school personnel. The Board has "zero tolerance" of violent, disruptive or inappropriate behavior, including excessive truancy (ORC 3313.534), by its students.

A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and / or at school-related events is subject to approved student discipline regulations. The Superintendent / designee develops regulations, which establish strategies ranging from prevention to intervention to address student misbehavior. Students and parents annually receive, at the beginning of the school year or upon entering during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct which are subject to dismissal from

school or other forms of disciplinary action. The Board directs the administration to make all students aware of the Student Code of Conduct and the fact that any violations of the Student Code of Conduct are punishable. The rules also apply to any form of student misconduct directed at a district official or employee or the property of a district official or employee, regardless of where the misconduct occurs.

If a student violates this policy or the Code of Conduct, school personnel, students or parents should report the student to the school administrator. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances. The student who commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property, or at a school activity, event or program, or is against school personnel on or off school property, may be expelled from school and recommended for permanent exclusion if the student is convicted or adjudged a delinquent child.

Anti-Bullying / Harassment / Intimidation / Bullying / Menacing / Hazing Policy

The Avon Board of Education is committed to providing a safe, positive, and nurturing educational environment for its students and staff. The Board encourages the promotion of positive interpersonal relations between all members of the school community. Harassment, intimidation, bullying, menacing, and / or hazing toward an individual such as a student or staff member is strictly prohibited and will not be tolerated. This policy applies to all activities in the District, including activities on or off school property and / or while on a school vehicle. In addition, if these actions occur in the public sector, the perpetrator may be subject to disciplinary actions.

Definition of Harassment, Intimidation, Bullying, Menacing, Hazing

The Board views harassment as a form of discrimination. Harassment is defined as intimidation by threats of physical violence and the creation of a climate of hostility. Harassment includes the use of language, conduct, or symbols in such a manner as to be commonly understood to convey hatred, contempt, or prejudice. Harassment is also defined as the effect of insulting or stigmatizing an individual and / or group. It includes, but is not limited to, any act which subjects an individual or group to unwanted, abusive behavior. An act of harassment can be nonverbal, verbal, written, or physical in nature and based on age, gender, race, religion, color, national origin, marital status, sexual orientation, physical characteristics, cultural background, socioeconomic status, or disability. The behavior or act in question must occur more than once and have the effect of harming an individual, damaging an individual's property, placing an individual in reasonable fear of harm to the individual's person or to the individual's property, and also be sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or an abusive environment for an individual. Intimidation includes, but is not limited to, any threat or act intended to tamper, substantially damage, or interfere with an individual and / or his property, cause substantial inconvenience, subject another to offensive physical contact, and / or inflict serious physical injury. Bullying includes, but is not limited to, an individual willfully and repeatedly exercising power or control over another with hostile or malicious intent. Bullying can be physical, verbal, written, electronically transmitted, and / or psychological in nature. Bullying may occur through attacks on an individual and / or his property, or any combination of these. Menacing includes, but is not limited to, any act intended to place an individual in fear of serious physical, emotional, and / or psychological injury. Hazing includes, but is not limited to, any act of coercing another, including the victim, to do and / or initiate an act against an individual which creates a substantial risk of causing physical, emotional, and / or psychological harm to another person. Permission, consent, ritual, or assumption of risk by any individual subjected to hazing does not lessen the prohibition contained in this policy. Every student is encouraged, and every staff member is required to report any situation that they believe to be of this nature to the building administration. All complaints that violate this policy shall be investigated. If the investigation finds an instance of this nature, appropriate disciplinary action will result. This may include consequences up to expulsion for students, up to discharge for employees, up to exclusion for parents, guests, students, volunteers, and contractors, and up to a removal from any officer position and / or a request for a resignation for Board members. Individuals may be referred to law enforcement. H.B. 276 provides school district employees, students, and volunteers with qualified civil immunity for damages arising from reporting an incident of student harassment, intimidation, or bullying. Retaliation against any individual is prohibited including those who report, are thought to have reported, have filed a complaint, or have otherwise participated in an investigation or inquiry concerning allegations of this nature. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Retaliation and / or intentionally making a false report for the purpose of getting someone in trouble are prohibited and may result in disciplinary action. A strategy will be administered to protect victims from additional harassment and individuals from retaliation. Students and / or staff members who fail to abide by this policy will be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with Ohio law. The Avon Local School District will report to EMIS the number of incidents of harassment by students against other students that violate the district's anti-harassment policy.

Dating Violence

House Bill 19 requires the school district to include age-appropriate instruction in dating violence prevention in grades seven to twelve which includes the recognition of warning signs of dating violence and the characteristics of healthy relationships. Per the request of a parent whose student is younger than 18 years of age, the principal of the school must, within a reasonable period of time, allow the parent to examine the materials used by the school to provide instruction on dating violence. School district employees who work in the middle and high school as a teacher, administrator, counselor, nurse, or school psychologist will be provided training on dating violence.

Privacy/Confidentiality

The Avon Local School District will respect the privacy of the complainants, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the administration's legal obligations to investigate, to act, and to conform to any discovery and/or disclosure obligations. All reports generated shall be maintained as confidential to the extent permitted by law.

40) Repeated Violation of the Code of Conduct

Repeated violations of the Code of Conduct are subject to further consequences.

SECTION II

The district has the authority to issue discipline up to one (1) calendar year of expulsion with police contact for any violations of the Code of Conduct in Section II, Items 41 – 42.

41) Weapons, Dangerous Instruments, Fireworks, Firearms, and Explosives

No student shall use, possess, handle, transmit, sell or conceal any object that can be classified as a weapon or dangerous instrument while on school grounds, at school-sponsored or related activities, functions or events off school grounds, on school-owned, operated or leased vehicles, or at any other time that the student is subject to the authority of the school. Weapons and dangerous instruments shall include any object, which is used or may be used to inflict physical harm or property damage. (Note: Bringing firearms to school shall result in a one-year expulsion from school. Bringing a knife onto school property may also result in a one-year expulsion.)

No student shall possess, handle, transmit, sell, conceal or bring upon school grounds any fireworks, explosives or munitions, nor shall any student ignite or explode fireworks, explosives or munitions at school-sponsored or related functions or activities on or off school grounds or at any other time the student is subject to the authority of the school. Emergency removal of the student from school premises, as well as expulsion, and permanent exclusion shall be considered as remedies for the punishment of such conduct. This will result in the loss of participation in any extracurricular school activities as well as the loss of the right to be on any school premise

ATTENDANCE

Attendance Procedure

It is the responsibility of the home to have students in regular attendance. In accordance with the Missing Child Law (ORC 3313.205), the following procedure will be effective. The parent and/or legal guardian must notify the school by 8:30 A.M. if the child is absent (not in school at 7:30 A.M.) with the reason for the absence. If a call is not received, the school will try to contact you. If the parent and school do not have telephone contact, the student will not receive permission for make-up (unexcused). Notes are not accepted. It is a Voice Mail number, which is active 24 hours a day, i.e. 5:00 A.M., etc. Absence calls will not be taken on any other line (telephone number). A student is considered truant until the parent contact has been made. ORC 3313.1205 requires the parent to provide the school with the current address (not a PO Box), telephone number, parent employment number, and an emergency number.

Excused Absence

Beyond what is prescribed by law, the school administration is the determining agent for excused absences. Parents / guardians may request that a student be excused for the following: personal illness, family illness which necessitates the presence of the child, quarantine of the home limited to the length of quarantine as determined by the proper health officials, death of a relative, medical or dental appointments, observance of a religious holiday consistent with the student's truly held religious beliefs, college visitation, absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status, absences due to a student being homeless, or other circumstances as prescribed by the BOE. Other requests for extenuating circumstances may also be considered by the building administrator.

House Bill 410 encourages and supports a preventative approach to excessive absences and truancy. Ohio schools to track attendance by the **hour and minute** a student is absent from school.

When a student is absent from school for 38 or more hours in one month or 65 or more hours in one year with or without a legitimate excuse, the State of Ohio deems this as excessive absences. When a student is deemed excessively absent, Avon Local Schools are required by law to report these absences to the Ohio Department of Education. No further absences will be excused unless a doctor's excuse, court document, or funeral verification is submitted to justify the need for absence.

A student is considered habitually truant if the student is absent without a legitimate excuse for 30 or more consecutive hours, 42 hours in a month or 72 or more hours in a school year.

Students who meet the definition of being a habitual truant will be referred to the Lorain County Juvenile Attendance Office. The student and their parents / guardians will be required to participate in a conference during which an absence intervention plan will be created to assist the family in improving school attendance. Failure to participate in this plan or should the intervention plan not improve attendance, a complaint will be filed with the Lorain County Juvenile Court.

EXCUSED ABSENCE ACCEPTABLE REASONS:

- Personal Illness (Includes surgery/medical procedure).
 - Statement from Health Professional may be required.
- Family Illness.
 - Statement from Health Professional may be required.
- Quarantine
- Death in Family
 - Limited to 3 days unless reasonable cause is shown for a longer absence.
- Doctor Appointment (Includes outside counselors, therapists, dental, vision, primary, specialists)
 - Statement from Health Professional may be required.
- Religious Holiday

- College Visit.
 - Verification of Date/Time of visit may be required.
- Emergency or Other (includes Military).
 - Superintendent can determine if there is a good and sufficient cause for absence.

Doctor's Notes

Doctor's notes and / or medical authorization for absences must be turned in to the high school office promptly in order for students to receive make-up. Medical authorizations received after five (5) school days will only change a student's attendance.

Assignments

For absences of two (2) or more days, a parent may request homework assignments by calling the office at (440) 937-9660 before 9:00am. **Do not** request assignments on the attendance line. Assignments may be picked up at 2:30pm in the office.

Make-Up Work

While it is the responsibility of the student and the teacher to see that make-up work is completed, make-up work is primarily the responsibility of the student. Typically a child will be granted one (1) extended day per each day absent. Students will be unable to receive credit when an unexcused absence is deemed truancy.

Early Dismissal

To be dismissed early, students should present a written request when they arrive in the building. **This written note should be received by 8:10am at the school office to receive an Early Dismissal Slip. The dismissal will then be listed on daily attendance. Phone call requests to dismiss students are discouraged.** All written requests for early dismissal must be signed by the parent / guardian and include a reason and a telephone number to verify the appointment. The voicemail number for attendance is **not** to request an early dismissal.

Family Vacation

Students must complete a vacation / leave request for administrative approval before their departure. This form must be returned to the office **before leaving on vacation.** Family vacations / leave requests will be considered excused absences as long as the completed request form is turned into the main office prior to leaving and the school time missed during the absence is less than 64 hours of absence per year. Any school time missed that exceeds the allotted 64 hours per year will be considered unexcused even if a form was properly turned in.

Students are responsible for meeting with each teacher to make up all missed class work. Students who are absent on a short term basis (1-2 days) should make up missed assignments within a week after returning to school. Students, absent for an extended period of time should make up their missed assignments, as the teacher directs.

Extracurricular Activity Participation

Students absent from school all day will not be permitted to participate in extracurricular activities for that day. Students entering school after 11:45am or leaving school before the school day ends will not be permitted to participate in extracurricular activities unless permission is granted by the administration.

TRANSPORTATION

For the safety of all children the transportation policy requires that your child (ren) **MUST** be picked up at the same location Monday through Friday. While the drop off pick up locations may differ from each other, a pick up location must be the same location Monday through Friday; likewise, the drop off location must be the same location Monday through Friday. For example, a child can be picked up Monday through Friday at the location (stop) designated for the home address and dropped off Monday through Friday at a latch key environment. Also, if your child is to be picked up or dropped off at a location **OTHER THAN THE STOP ASSIGNED FOR YOUR HOME ADDRESS**, you must complete "Change in Transportation Form" with the

Transportation Office (35601 Detroit Road). You can pick up this form at your child's school, online (www.avonlocalschools.org) or contact the Transportation Office directly (440-937-0503).

Transportation Guidelines

The State of Ohio restricts the use of Avon school buses to students enrolled in the Avon Schools. Therefore, children living outside of the Avon Local School District, by law, may not ride an Avon School District bus.

The Avon Local School District Code of Conduct (as stated in the bus handbook) is in effect and is applicable whether a student is in a school building, on the school grounds, or riding a bus.

Students riding Avon Local School District buses must continually remain respectful of the privilege of not only riding a school bus, but the bus drivers as well. At all times, students must comply with requests that bus drivers must make of them.

When disciplinary action is required, the following procedure is implemented: The driver of the bus or bus aide will complete a written referral. This will then be submitted to the appropriate school administrator. When applicable, the following will occur:

- At the first offense requiring a written referral, the student will meet with a school administrator and may include not being permitted to ride an Avon Local School District bus for up to ten (10) days, depending upon the degree of the offense.
- The second offense requires that the student will not be permitted to ride an Avon Local School District bus for up to twenty (20) days, depending upon the degree of the offense.
- The third offense requires that the student will not be permitted to ride an Avon Local School District bus up to the remainder of the school year, depending upon the degree of the offense.

Student Responsibilities

The following rules are posted in each Avon Local School bus (ORC, Section 3319.41 and OAC 68-161):

To avoid losing bus privileges, please follow these rules.

4. Do not attempt to get on or off the bus until it has come to a complete stop.
5. At all times, remain seated while the bus is in motion.

Student Drop-off and Pick-Up- Locations

All students who are bus-riders will be dropped off in the morning and leave in the afternoon at NORTH.

All students who are car-riders will be dropped off in the morning and picked up in the afternoon at SOUTH.

All parents shall follow the procedures as outlined by school administration.

STUDENT DRESS CODE RESPONSIBILITIES

Recognizing that all individuals and / or families have varied background and beliefs, the school authorities, through experience, deem it desirable to provide guidelines of student dress so as to minimize possible conflicts with the overall operational procedures of the school.

While many students and parents have no apparent questions or problems in determining satisfactory school dress, the following guidelines are offered:

Under Title IX, Federal Law prohibits discrimination on the basis of sexes.

Dress and Grooming Guidelines

The school administration reserves the right to determine dress code standards throughout the school year.

Students and parents are encouraged to work cooperatively with the school personnel in maintaining an atmosphere of adherence until such times as official changes are made by the Avon Board of Education.

Physical Education – Dress Requirement

All students taking physical education will be required to wear gym clothing approved by the instructor. Students who are unable to participate in regular physical education class should provide a physician's note to their counselor and physical education teacher.

Medication

The Board of Education recognizes that many students are able to attend school only through the effective use of medication in the treatment of disabilities or illnesses that do not hinder the health or welfare of others. Parents should be aware that the school district contracts with Lorain County Public Health for provided nursing services. If possible, all medication should be given by a parent/guardian at home. If this is not possible, parents may come to school to administer medications only when no alternative is available. In these circumstances, if a student is required by a physician's order to take medication during the school day, the following procedures must be followed:

For the purposes of this handbook, medication as described will apply to both prescribed medications by a physician and 18 any and all over the counter drugs.

1. Written authorization on the approved form provided by the school must be on file with the school office prior to any medication being administered.
2. The authorization form must be completed in its entirety by the student's parent/guardian for both prescription and/or over-the-counter medications (All forms for prescription medication must be signed by a physician).
3. Parents/guardians must re-submit a revised authorization form any time any of the information originally provided changes.
4. Medication must be transported to the school office by the parent/guardian.
5. At no time shall a student be in possession of medication while on school premises. To do so violates the Avon Heritage Code of Conduct.
6. The only medication a student may be permitted to be in possession of on school grounds will be a metered-dose inhaler or a dry-powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms. However, in order for the student to possess an inhaler, he/she must have written authorization on the approved form provided by the school signed by both the student's physician and parent/guardian. This form must be on file in the office prior to possession and/or use in

the school.

7. Medication must be received by the school in the original container in which the prescribing physician or pharmacist dispensed it. At no time will medication be dispensed that is not in a container other than that of the original prescription.

8. Any over the counter medications that parents/guardians request to be administered to their child must be delivered to the school office in the original packaging and must be labeled with the child's name, dosage to be given, and times to take the medicine.

9. Parents/guardians are responsible for any special preparations to the medication such as splitting of tablets if the prescribed dosage is not equivalent to the dosage in the container.

10. Cough drops must remain in the office and may be taken when accompanied by a note by a parent/guardian.

No employee who is authorized to administer medication and who has a copy of the most recent authorization form granting administration of the medication is liable in civil damages for administering or failing to administer the drug, unless he/she acts in a manner which would constitute gross negligence or wanton or reckless misconduct. Parents/guardians will be notified at the end of the school year and/or when a medication has been discontinued to pick up the medication. Medication that has not been claimed within five (5) days of notification will be disposed. All empty medication containers will be returned to the parent/guardian.

Illness at School

If a student becomes ill at school, he / she will be sent to the office, and if necessary, a parent will be contacted to pick up the student.

Important: students should not take it upon themselves to call/text/email their parents to pick them up from school directly. They must first notify the office or nurse in the clinic that they are ill. It is recommended that a student should stay home from school if he / she has had any of the following:

- Diarrhea / loose stools within the last 24 hours
- Vomiting within the last 24 hours
- Sore throat, difficulty swallowing, white spots on tonsils or throat
- Severe cough, congestion, drainage or relentless sneezing
- Undetermined rash / itching
- Temperature of 100 degrees Fahrenheit or higher
- Red, itching, burning or crusting of one / both eyes
- Eggs (nits), or head lice - until cleared by nursing staff (See the school nurse for lice policy.)

Note: Student must be fever / vomit free without medication (for example: Tylenol) for 24 hours prior to returning to school. Also, students diagnosed with a condition requiring antibiotics (ex. for example: pink eye, strep throat) must be on antibiotics for 24 hours before returning to school.

Required Immunizations

The following immunizations are required under Ohio Revised Code 3313.67.

<https://www.odh.ohio.gov/~media/ODH/ASSETS/Files/bid/immunizations/schoolsummary.pdf>

The nursing staff does not do routine lice checks in the classroom; however, nursing can check students who are suspected of having lice and provide information on prevention and treatment.

Chronic Conditions:

If your student has a chronic medical condition (diabetes, seizures, severe allergies) that requires special supplies while at school, (for example: insulin pump, G-tube, trach, etc.) please contact the school nurse.

Students arriving before the established arrival time will be asked to wait outside the entrances until the outside doors are opened by a staff member at 7:10 a.m. Students must go directly home and not loiter on the school grounds after school hours.

Assignments

For absences of more than two days, a parent may request homework assignments when calling their child off on the attendance line (937-9661) or by calling the office at 937-9660 before 9:00 A.M. Assignments may be picked up after 2:30 P.M. in the office. Due to availability and needed prep-time, on-the-spot requests cannot be honored.

Bookbags/backpacks/purses are permitted in school, but are not allowed to be carried to classes or the cafeteria during the school day, unless permitted by an administrator. Book bags/backpacks must fit in the student locker. Wheeled book bags will NOT fit in the student locker.

Building Use By/For Local Groups

The use of the school building may be scheduled through the Avon Local Schools website/Operations Department. All scheduling is done with the understanding that school programs take precedence over all other activities. Application for the use of the building must be submitted in writing in advance of the scheduled date. There will be a custodian on duty following each school day. Arrangements for the use of the building must be made well in advance. If it is necessary for the group to make a demand upon the custodian's time, either for setup or cleanup, the custodian must be paid an hourly rate by the group using his/her services.

Cafeteria Conduct

- Conduct yourself appropriately .
- Leaving the table and the surrounding area clean and orderly.
- Replacing chairs and putting trash in the proper receptacle.
- Eating in the cafeteria only.
- Not taking beverage containers outside the cafeteria.
- Students must stay on school grounds during lunch (unless signed out by a parent/guardian).

Change of Address or Name

Students should inform the principal's office if they have a change of address, name because of remarriage, or phone number (work or home) in order to help in addressing mailings and in case of any emergency

Deliveries to Students

It is the responsibility of the student to retrieve items from the office that have been forgotten or left at home (i.e. lunches, book bags, musical instruments, homework, etc). Items dropped off in the morning will be delivered at 10:30. Items dropped off after 10:30, will be put into the teacher's mailbox. Flowers/gifts sent to school are discouraged and will be held in the office until the end of the school day. Students will be notified at the end of the last period that they may pick them up in the office after school

Early Dismissal

Students should present a written request which includes their first and last name by 7:40 A.M. in the school office, and they will receive an Early Dismissal Slip. All requests must include a reason and a telephone number to verify the appointment. Phone calls to release students are discouraged and should be made prior to 1:00 P.M.; the Attendance Line Voice Mail number is not to be used for this purpose.

Family Vacation

Foremost, the Avon Local School District feels that family vacations during the school year place a hardship on the student and therefore encourages parents to arrange vacations to coincide with school vacation/breaks. However, those family vacations, which cannot be scheduled during designated breaks, may be excused provided proper notice is given to the school and the child's current attendance status permits. Students who are going on a family vacation should pick up the "Student Vacation Request Form" in the school office at least one week prior to vacation. The form should be signed by the parent and each teacher, with assignments given, and returned to the school office before leaving on vacation. While most family vacations will be excused by the administration, days missed while on vacation count as an absence in a student's bank of 10 days per year. Students will assume responsibility of meeting with each teacher to make up all missed class work. Students who are absent on a short term basis (1-2 days) should make up missed assignments within a week after returning to school. Students who are absent for an extended period of time should make up their missed assignments as the teacher directs.

Fees and Financial Responsibility

All checks should be made payable to the Avon Board of Education. NSF checks will be assessed a \$10 return item fee, plus an additional check collection processing fee. Families unable to pay fees should contact the office. All fees must be paid by the end of the first grading period. Failure to do so will result in report cards being withheld until all fees are paid. All fines, lost textbooks, lost library books, assessments for damage to any school property, or any other event resulting in student financial liability must be paid prior to the end of the grading period in which the debt was incurred. Failure to do so will result in the report card being withheld until all financial obligations are met. Upon a student's graduation date, all financial obligations for all of a student's previous years in the Avon Schools must be paid in full or the student will not be permitted to participate in commencement and a diploma will not be issued. In addition no academic school records will be released for any reason until all financial obligations are met.

Field Trips and Extra-Curricular Trips

As part of the educational services of the school, pupils are sometimes taken on field trips by bus. A written permission slip from the parent is filed in the school office or with the classroom teacher before the pupil is permitted to accompany his/her class on these trips. All trips are supervised by classroom teachers. Please remember that all of the rules which apply to regular bus trips (to and from school) also apply to extra-curricular trips (sports, band, field trips, etc.). Eligible passengers are (K-12) students participating in the event. Coaches, advisors, and chaperones are the only other riders permitted on buses.

Home Instruction

Home Instruction may be provided for students who are unable, because of physical disabilities, to attend our regular classes. All home instruction must be approved by the State Department of Education. Application for home instruction should be made through the principal.

Lockers

A locker is assigned to each student at the beginning of the year. Locker assignments cannot be changed without the permission of the principal. Lockers are the property of the school and are subject to inspection by authorized school personnel. Periodic inspections of lockers for cleanliness will occur. The school is not responsible for missing or stolen items including textbooks. Lockers are assigned to specific students and should not be shared with other students. Students are strongly discouraged from hanging personal items (decorations) in their school lockers

Lost & Found

All student materials (clothes, coats, supplies and lunches) should be clearly marked with the student's name. Students should report loss of personal property to the office. Lost and found items are maintained on a large table in both the North and South Rotunda. Items will be donated to charity once a quarter. The search of unattended personal belongings such as lunches, purses, bags, etc. will occur as a safety precaution.

Make-Up Work

While it is the responsibility of the student and the teacher to see that make-up work is completed, make-up work is primarily the responsibility of the student. The student is responsible to get make-up assignments and to complete work assigned within the designated time (typically 1 extended day per each day absent).

Media Center

Library & Media Center Open Hours: Monday-Friday, 7:15 A.M.- 2:15 P.M. The Avon Heritage Library & Media Center has an extensive collection of developmentally-appropriate books, digital resources, and makerspace/STEM stations--along with flexible reading and collaboration zone--to support and inspire student learning. Heritage students visit the library on a fixed schedule weekly and are permitted and encouraged to check out books from the school library & media center during their library time. (Most digital materials may also be accessed from home at avonlocalschools.org/library.) Students may check out two books at a time, and the loan period is two weeks. There are no overdue fines. Books that are three weeks overdue will be considered lost. Students will be billed the replacement cost for any lost or damaged items. In most situations, any bills for lost or damaged library materials must be paid before another item may be checked out; however, please see library & media staff in situations of financial hardship or extenuating circumstances.

Media Information and Consent

School activities may be recorded and publicized via pictures, video and sound bytes. This material may be used in media presentations, such as television / cable, radio programs, newspaper articles, website, etc., to (a) extend recognition to students and/or (b) to provide publicity for the school district. Student addresses and telephone numbers will not be released. If you do not want your student's image photographed, taped or recorded, please contact the office for an exemption form.

Media/Public Relations

While it is a goal of Avon Heritage is to communicate with the press and other forms of media, parental consent is required prior to direct student contact with all forms of media. Should a parent or guardian wish to exclude his or her child from being pictured in such publications, notification must be made to the school administration.

Office Hours

The school office opens during the second week of August (approximate) through the third week of June. The office is closed the entire month of July and all student holidays. During the school year, the Administrative Office will be open from 7:00 A.M. to 2:30 P.M. When school is not in session in June and August, the Administrative Office hours are 8:00 A.M. - 1:00 P.M.

Parent Visitation

We want every parent to feel welcome in the school. We particularly want parents to come to school when problems arise which concern their child and his/her school situation. Parents need to register in the office when coming into the school and must remember to sign-out when leaving. Frequently, teachers ask parents to come to the school for a conference. These meetings are important. They may be scheduled during the teacher's prep period or immediately after school. Classroom visits should be pre-arranged through the individual classroom teacher with a 24-hour notification granted by the teacher. For safety purposes and consistency, parents must remain in the area for which they signed in (e.g. cafeteria, classroom, etc.) and are expected to follow all building rules and procedures (e.g. no cell phone use, 10 minute quiet lunch, etc.).

Recess

Whenever possible, students will be taken outside for recess. Please dress your child with the appropriate outdoor clothing as the weather dictates. If it begins to rain, snow heavily, or the wind chill and temperature drops below 20 degrees, recess will take place indoors.

Sports Fan Conduct

At all school athletic contests, Avon students are a reflection of the school and community. As such, students are expected to conduct themselves with the ethics of good sportsmanship as a top priority. Students are expected to cheer for Avon athletes, not against the opposing team or referees. Students who wish to attend a home event and are not directly participating in the event as players or designated, supervised helpers are to arrive back on campus no earlier than 15 minutes before the first athletic event of the day (e.g., arrive at 4:15pm for a 4:30pm event). Otherwise, students will be considered to be loitering and subject to disciplinary action, according to the Code of Conduct. At all home

contests, students are required to sit in the bleachers designated as the home side. At all away contests, students are required to sit in the bleachers that are designated for the visiting school. Only the official designated Avon cheerleading squads will be permitted on the floor, field, or track area to conduct cheers. All others must remain in the stands.

School Insurance

The school insurance program may change from year to year. The insurance plan that is used at Avon Heritage School is chosen by the Avon Local Board of Education and is an "excess" insurance coverage. An excess insurance is designed to cover costs not covered by regular hospitalization. This insurance must be purchased in September of each school year. This insurance is not required, but parents who do not have insurance should carry the school insurance for their children. Students who participate in extracurricular activities must carry the school insurance or have a claim waiver by their parents.

School Pictures

All students' pictures will be taken in color. For the best results, the photographers recommend that boys wear dress shirts or sweaters. Girls are asked to avoid wearing white in favor of bright colors.

Social Media

The use of email messages, text messages, blogs, websites or other electronic communications to make inflammatory or derogatory comments, and / or inappropriate descriptions or pictures regarding another team member, another student, a coach, another school or team, or other staff member is strictly prohibited. For the purposes of this policy, inappropriate comments may include, but are not limited to, inappropriate comments / pictures / descriptions regarding another person's race, ethnic background, culture, religion, gender or sexual orientation.

Student Council

The Student Council is the student governing body of the school providing a forum for student expression and serving as a link between the students, administration, and community. Major goals are to develop leadership qualities within the students and to help reinforce a sense of pride and respect in themselves, their peers, and their school. Each individual fifth grade class has one (1) representative to the Council. All members serve on several committees and are expected to direct and see the completion of activities through the year. Elections are in September.

Student Planners/Agendas

Students should be using their planners for writing down assignments and other important daily events. Therefore, students should have their planners in their possession at all times. Additional planners may be purchased in the main office.

Textbooks

All basic hardbound texts are loaned to students for their use during the school year. Lost textbooks must be paid for. Books or other materials, which are assigned to students, are the responsibility of the student. Excessive damage or the loss of articles will mean that the student will be assessed the value of the article. Should a student fail to meet his/her financial obligation, grades and credits will be withheld.

Telephone Usage

Students will not be called to the phone. Only messages of an urgent nature from a parent/guardian will be delivered to a pupil. Students will only be permitted to call home when ill or in case of an emergency (not for missing work)

Transfer Out of District

If a student is moving out of the district, a transfer form must be obtained from the Main Office. A counselor must be consulted first, all books returned, the locker emptied, and all bills paid. If a student moves during June and August when the office is closed, someone in the school office will help them with withdrawal papers. All school offices are closed in July. Please send the new address and the name of the new school, if known. A student's records will be transferred to the new school at the parent's written request providing there are no outstanding debts. Only senior students shall be considered for continued attendance at Avon once a student's family has moved from the district. (Written notification from parent/guardian for Principal's approval).

Students who miss class work through absences that result in their being given an incomplete in that subject are required to make up that work as the teacher directs. If the work is not completed per teacher guidelines, the student will receive a grade of "F" on the incomplete work. Any extension of this time limitation must be approved by the principal.

Interim/Progress Reports

To keep parents/guardians informed of student progress, the district provides students and parents' access to the internet-based PowerSchool program. Progress should be regularly reviewed by each parent/guardian.

Report Cards

Report cards will be issued every nine weeks indicating a student's progress in school. On this report will be a grade given by the teacher of each class in which the student is enrolled and an attendance record. Report cards are withheld if there are any outstanding debts for fees/fines and are released upon payment.

Pearson PowerSchool

Parents and students are encouraged to monitor students' progress using Avon's online gradebook program, Pearson PowerSchool. Both parents and students will be provided log on information at the beginning of the school year or at enrollment. Pearson PowerSchool usernames and passwords can be obtained from the Student Services Secretary throughout the year if they become lost.

Promotion & Retention

The promotion of each student in the District will be determined individually. The decision to promote or retain a student will be made on the basis of the following factors which the teacher and administration will take into consideration: reading grade, mental ability, age, physical maturity, emotional and social development, social problems, home conditions, and grade average.

Severe Weather - School Closings

In cases of severe weather or school emergency, the official announcement of school closings may be heard over WEOL 930 AM or FOX 8. Listen to these stations and do not call the school or the home of school employees.
